

PRIMARY PE AND SPORT PREMIUM

ACADEMIC YEAR SEPTEMBER 2016- AUGUST 2017

By R. GAVIN

Physical Education Grant Received:

Our Vision at St Charles:

Is for all pupils leaving Primary School to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and Sport in Primary Schools.

At St Charles we take are fully committed and ambitious in continually searching for new opportunities and activities to add to our already rich and diverse PE and sports provision. The children are involved in choosing which clubs are delivered and staff expertise is maximised to offer a wide range of extra-curricular clubs.

Objectives:

- To continue to improve the quality and breadth of PE and sport provision across the school.
- To assist teachers in the delivery of outstanding PE lessons
- To increase participation in extra-curricular clubs so that all pupils can develop a greater awareness of healthy lifestyles.
- To improve social and emotional development including ability to work with others through quality PE lessons which are well staffed and carefully planned.
- To improve behaviour and promote sportsmanship.
- To promote confidence (self-esteem/self-worth) and independence.
- To promote a lifelong love of at least one sporting activity
- To ensure that all children can confidently swim 25m by the time they leave St Charles'

Record of PE spending by item/ project 2016-2017

Item/ Project	Cost	Objectives	Impact
Sports Partnership & Lancashire Sports Awards	£1104	<ul style="list-style-type: none"> •To continue to improve the quality and breadth of PE and sport provision across the school. •To assist teachers in the delivery of outstanding PE lessons. •To increase participation in extra-curricular clubs so that all pupils can develop a greater awareness of healthy lifestyles. 	<ul style="list-style-type: none"> •Our Sports Apprentice attended some CPD training on how to deliver Maths through sport. He used this with the Reception children in their outdoor learning and when supporting children in class. This enabled our children to see and learn things in a different way. •We took part in the Hyndburn Cross Country Competition where our children placed very high. All children enjoyed this event and took great pride in representing the school. •Resources and schemes of work have been shared between the cluster schools which our staff have used to deliver inclusive lessons to our children. •St Charles' won the Hyndburn Primary School of the Year for its contribution to school sport.
Sports Apprentice-contribution to wages and uniform	£7513.50	<ul style="list-style-type: none"> •To continue to improve the quality and breadth of PE and sport provision across the school. •To assist teachers in the delivery of outstanding PE lessons. •To increase participation in extra-curricular clubs so that all pupils can develop a greater awareness of healthy lifestyles. •To improve the social and emotional development of our children •To improve behaviour and promote sportsmanship, acting as a sports role model. •To promote confidence (self-esteem/self-worth) and independence. •To promote a lifelong love of at least one sporting activity 	<ul style="list-style-type: none"> •We have had an increase in the number of children wanting to participate in lunchtime and afterschool lunchtime clubs. •A range of clubs including Change4life, team games and multi-sports have been attracted a significant number of children who would not normally take part in sports clubs. •A rise of 14% per class have taken part and thoroughly enjoyed these clubs. Feedback from children supports this in many ways. Many have been eager for the next session, some said it has improved their confidence and others have said they have learnt something new. •Our Sports Apprentice has worked with groups of children who have low levels of self-esteem and confidence. These children have become more willing to engage with others and have a positive attitude towards sport than last year. •He has assisted the teachers in delivering PE lessons by: pre teaching basic skills in gymnastics, reinforcing simple techniques in athletics, and challenging the more-able in basketball and tennis.

After School Judo Club	£275	<ul style="list-style-type: none"> •To increase participation in an extra-curricular club •To promote a healthy and active lifestyle •To improve behaviour and promote good sportsmanship. •To promote confidence (self-esteem/self-worth) and independence. 	<ul style="list-style-type: none"> •This club was over- subscribed and had a healthy reserve list. 27 children from years 3&4 took part in this 5 week programme. •44% of children who attended would not normally attend an afterschool club. During a Pupil interview with these children, they told me how much fun the club was, how they were excited for the next session and how they would love to do this outside of school. •3 children have taken up Judo outside of school.
SEN Swimming	£2308.50	<ul style="list-style-type: none"> •To ensure that all children can confidently swim 25m by the time they leave St Charles' 	<ul style="list-style-type: none"> •100% of year 6 can swim 25m confidently and independently •100% of year 5 can swim 25m confidently and independently •93% of year 4 can swim 25m confidently and independently •84% of year 3 can swim 25m confidently and independently
2k run prizes and badges	£113.80	<ul style="list-style-type: none"> •To develop self-confidence and belief •To promote a lifelong love of sport and exercise 	<ul style="list-style-type: none"> •All 189 children in the school took part in this event- regardless of physical ability. •Increased participation of children running in all classes. •Significant increase in the number of children taking part in physical activity outside school. Children were keen to train with their parents' at night, take part in 2k fun runs at weekend and at least 3 children have since joined the local athletics club. •Children have a positive approach to living a healthy lifestyle, and being aware of the importance of being fit and healthy. •Great parental engagement and involvement shown.
Equipment and resources	£69.60	<ul style="list-style-type: none"> •To continue to improve the quality and breadth of PE and sport provision across the school by having the appropriate resources. 	<ul style="list-style-type: none"> •A well- resourced PE cupboard with a range of equipment to deliver high quality and effective lessons. •Enough dodgeballs and tennis balls to be used per class and spares if necessary, meaning all children are engaged and can participate in the lesson.
TOTAL: £11,384.55
