

**PROPOSED SPEND OF SPORTS FUNDING
ACADEMIC YEAR 2017-2018**

The Sports Funding Grant

At St Charles we take seriously our commitment to all sporting, PE and adventurous activities. We are ambitious in continually searching for new opportunities and activities to add to our already rich and diverse PE and sports provision. The children are involved in choosing which clubs are delivered and staff expertise is maximised to offer a wide range of extra-curricular clubs.

The Sports funding is an allocation of additional funding provided to schools to improve PE and sport provision. Each school is free to decide how best to use the monies, however all of the funding has to be used towards improving PE provision.

This annual funding is guaranteed by the government until 2020.

This academic year we have been allocated £12867 (£8867+£4000). This money enters school in two instalments and helps to partially fund some of the following sustainable improvements.

Objectives for how we want to spend our Sports Funding Grant:

- To improve the quality and breadth of PE and sport provision across the school.
- To assist teachers in the delivery of outstanding PE lessons and assessment.
- To increase participation in extra-curricular clubs so that all pupils can develop a greater awareness of healthy lifestyles.
- To improve social and emotional development including ability to work with others through quality PE lessons which are well staffed and carefully planned.
- To improve behaviour and promote sportsmanship.
- To promote confidence (self-esteem/self-worth) and independence.
- To promote a lifelong love of at least one sporting activity.

Objective	Actions	Cost (£)	Success Criteria
<ul style="list-style-type: none"> To improve the quality and breadth of PE and sport provision across the school. To promote a lifelong love of at least one sporting activity. 	<ul style="list-style-type: none"> Targeted groups of children in KS2 to attend swimming sessions to raise confidence, self-esteem and swimming ability. Improve technique, pace and stamina of able swimmers 	£2308	<ul style="list-style-type: none"> All children can leave school swimming 25m unaided. Technique, pace and stamina improved and evidenced through representation at the school gala.
<ul style="list-style-type: none"> To improve the quality and breadth of PE and sport provision across the school. To assist teachers in the delivery of outstanding PE lessons and assessment. To promote healthy lifestyles through extra-curricular activities To improve social and emotional development, including ability to work with others through quality PE lessons which are well staffed and carefully planned. To promote confidence (self-esteem/self-worth) and independence. To promote a lifelong love of at least one sporting activity. 	<p>Sports apprentice to:</p> <ul style="list-style-type: none"> assist staff in delivering curriculum lessons. run lunchtime and after school clubs to offer a variety of sports be a strong, positive role model to the children. target groups of children who need extra support to fully participate in PE lessons and extra-curricular clubs. promote a healthy lifestyle and a positive attitude to sport deliver interventions to help with motor skills 	£9697	<ul style="list-style-type: none"> Raised attainment in class assessments. Providing challenges for the more-able and additional support for the less-able to help close the gap. PE Co-ordinator and AGT Lead to be made aware of the 'talented' sports children. Ensuring that all our extra-curricular sports clubs are full. Regularly reviewed registers show that different groups of children are taking part in the clubs. PE Co-ordinator's data analysis shows where extra support is needed. Children to be targeted and invited to take part in lunchtime or afterschool clubs. Children will be assessed before and after the Motor Skills Intervention so that the impact can be measured. Ensuring that all our extra-curricular sports clubs are full. Admin staff and PE Co-ordinator to regularly monitor this.

<ul style="list-style-type: none"> • To improve the quality and breadth of PE and sport provision across the school. • To assist teachers in the delivery of outstanding PE lessons and assessment. • To attend a variety of intra-house sporting events for children of different abilities and ages • To improve social and emotional development including ability to work with others through quality PE lessons which are well staffed and carefully planned. • To improve behaviour and promote sportsmanship. • To promote confidence (self-esteem/self-worth) and independence. • To promote a lifelong love of at least one sporting activity. 	<ul style="list-style-type: none"> • Attendance at competitive sport events. • CPD events shared with staff. • Networking with local schools to share and discuss best practice and develop frequent competitions in a wider range of sports. • Identification of ways to improve PE and sports provision and greater links with Accrington Academy made to develop. 	<p>£900</p>	<ul style="list-style-type: none"> • Portfolio created of sporting events attended as part of SSP and local clusters. • Staff CPD forms identify positive areas developed following CPD events. • Pupil conferencing shows that children have a passion for sport and enjoy doing PE at St Charles'.
