

Medley 2015

Tonight, I'm gonna have myself a real good time
I feel alive
And the world, it's turning inside out, yeah
I'm floating around in ecstasy
So don't stop me now
Don't stop me 'cause I'm having a good time
Having a good time

I'm a shooting star leaping through the sky like a tiger
Defying the laws of gravity
I'm a racing car passing by like Lday Godiva
I gonna go, go, go there's no stopping me

I'm burning through the sky, yeah
Two hundred degrees, that's why they call me Mister Fahrenheit
I'm travelling at the speed of light
I wanna make a supersonic man outta you

Don't stop me now, I'm having such a good time
I'm having a ball
Don't stop me now, if you wanna have a good time
Just give me a call
Don't stop me , 'cause I'm having a good time
Don't stop, yes I'm having a good time
I don't wanna stop at all.

Risin' up, back on the street,
did my time, took my chances.
Went the distance now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight
Rising up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watching us all with the eye of the tiger.

She's got a smile that it seems to me
Reminds me of childhood memories
Where everything was as fresh as the bright blue sky
Now and then when I see her face

She takes me away to that special place
And if I stared too long I'll prob'ly break down and cry
Whoa, whoa, whoa, sweet child o' mine
Whoa, oh, oh, oh, sweet child o' mine

We're leaving together
But still it's farewell
And maybe we'll come back
To Earth, who can tell?
I guess there is no one to blame
We're leaving ground
Will thing ever be the same again?
It's the final countdown.
The final countdown

We're heading for Venus, and still we stand tall
'cause maybe they've seen us and welcome us all
with so many light years to go
and things to be found
I'm sure that we all miss her so
It's the final countdown
The final countdown
The final countdown

A' here we are and here we are and here we go
All aboard and we're hitting the road, here we go
Rockin' all over the world

A' giddy up and giddy up and get away
We're going crazy and we're going today here we go
Rockin' all over the world

And I like it, I like it, I like it, I like it
I la-la-like it, la-la-like, here we go
Rockin' all over world

I'm gonna tell your mama what you're gonna do
Come on out with your dancing shoes, here we go
Rockin' all over the world

And I like it, I like it, I like it, I like it
I la-la-like it, la-la-like, here we go
Rockin' all over world

And I like it, I like it, I like it, I like it
I la-la-like it, la-la-like, here we go
Rockin' all over world
