HAVE A HEART CREATIVE WEEK

We held our first creative week of the year earlier in September. The aim of this week was to learn more about our heart and to complete a sponsored event to raise money for a Defibrillator to be placed directly outside of school. The children also completed some first aid training. As always, the family and friends of St. Charles were extremely generous and really backed the children during their sponsored events. The total raised was a staggering £1927.61 - and there are still some forms to be returned. Thank you for your very kind generosity. We are now finalising the order for the Defibrillator and we will be looking to have it installed as soon as possible. *More pictures on the school blog!*

Many thanks to the children and parents who made the Family Mass on Saturday such a joyous occasion. Roman Life in Ribchester....

Year 4 invaded Ribchester to investigate Roman Life. Freya Kennedy reported "We really enjoyed the trip because there were lots of different artefacts to hold and look at". Objects included leather shoes, fragments of olive oil pots and a rood tile. Archie Kavanagh recalled "I really liked wearing the armour as it made me feel like a Roman Soldier". Eden Thompson commented "I also enjoyed it because the ruins made me imagine what the baths might have been like" Mrs Hurst was invited to join the archaeologists who are digging up the Gate House. Who knows what she may find???
